# 2022 IRELAND IIT

## International Intensive Training

24 February - 5 March 2022

Discover skills that will help you improve the quality of your relationships, deepen your inner peace, and increase your contribution to the world.

Join us as part of a compassionate community learning together how to speak from the heart; practice deep, non-judgmental listening; and build self empowerment from the inside out.

This event is a 9-day residential training designed as an "immersion experience" in Nonviolent Communication (NVC) led by a team of experienced CNVC certified trainers sharing both the core curriculum of NVC as developed by Dr. Marshall Rosenberg as well as their own unique applications.
